

- Users
- Belong to Teams
 - Can be the manager of one or more teams
 - can create one or more ideas
 - can comment on one or more ideas
 - can upvote ideas or comments ONCE
 - Can subscribe to one or more ideas

- Teams
- Can have one or more ideas
 - Can have one or more managers
 - Can have one or more members (users)

- Ideas
- Can have a creator (user)
 - Can be owned by zero or more teams (default to the user, will change in mater MVP)
 - Can be upvoted or subscribed to
 - Can be commented on by a user

- Comments
- Can be created on an idea by a user
 - Can be upvoted

NOTE: IdeaUpDoots and CommentUpdoots's UID refers to the UID of the person who upvoted for trackign sake NOT the original poster of the upvoted idea/comment. Addiitonally, the have an "active" flag to show if someone Upvoted then changed their mind, and they have createdate as a flag for later metrics (if an idea got popualr at X time, why)
